LIQUID PERFORMANCE
Ethanol Equalizer

STOP ETHANOL PROBLEMS!

- Stops All Ethanol Fuel Problems
- Removes Water From Fuel
- Increases Fuel Mileage
- Increases Horsepower
- 4 oz. Treats Up To 40 Gallons
- Stabilizes Fuel
- Boosts Octane
- EPA Registered

FIXES YOUR FUEL GUARANTEED.

1oz., 2oz., and 4oz Cases Come in a Convenient Countertop Display

Liquid Performance Ethanol Equalizer is all you need to fix problems related to ethanol added fuels. Its synthetic blend removes water, prevents fuel system corrosion and ethanol phase separation that robs fuel of octane. Ethanol Equalizer boosts octane up to 4 points, increases horsepower, lubricates entire fuel system and stabilizes fuel for up to 36 months. EPA registered. One ounce treats up to 10 gallons. **Available in 1oz., 4oz., 16oz., 32oz., and 1 Gallon sizes.**
